

in, or serving, communities throughout the planning and service area.

§ 1321.65 Responsibilities of service providers under area plans.

As a condition for receipt of funds under this part, each area agency on aging shall assure that providers of services shall:

(a) Provide the area agency, in a timely manner, with statistical and other information which the area agency requires in order to meet its planning, coordination, evaluation and reporting requirements established by the State under § 1321.13;

(b) Specify how the provider intends to satisfy the service needs of low-income minority individuals in the area served, including attempting to provide services to low-income minority individuals at least in proportion to the number of low-income minority older persons in the population serviced by the provider;

(c) Provide recipients with an opportunity to contribute to the cost of the service as provided in § 1321.67;

(d) With the consent of the older person, or his or her representative, bring to the attention of appropriate officials for follow-up, conditions or circumstances which place the older person, or the household of the older person, in imminent danger;

(e) Where feasible and appropriate, make arrangements for the availability of services to older persons in weather related emergencies;

(f) Assist participants in taking advantage of benefits under other programs; and

(g) Assure that all services funded under this part are coordinated with other appropriate services in the community, and that these services do not constitute an unnecessary duplication of services provided by other sources.

§ 1321.67 Service contributions.

(a) For services rendered with funding under the Older Americans Act, the area agency on aging shall assure that each service provider shall:

(1) Provide each older person with an opportunity to voluntarily contribute to the cost of the service;

(2) Protect the privacy of each older person with respect to his or her contributions; and

(3) Establish appropriate procedures to safeguard and account for all contributions.

(b) Each service provider shall use supportive services and nutrition services contributions to expand supportive services and nutrition services respectively. To that end, the State agency shall:

(1) Permit service providers to follow either the addition alternative or the cost sharing alternatives as stated in 45 CFR 92.25(g) (2) and (3); or

(2) A combination of the two alternatives.

(c) Each service provider under the Older Americans Act may develop a suggested contribution schedule for services provided under this part. In developing a contribution schedule, the provider shall consider the income ranges of older persons in the community and the provider's other sources of income. However, means tests may not be used for any service supported with funds under this part. State agencies, in developing State eligibility criteria for in-home services under section 343 of the Act, may not include a means test as an eligibility criterion.

(d) A service provider that receives funds under this part may not deny any older person a service because the older person will not or cannot contribute to the cost of the service.

§ 1321.69 Service priority for frail, homebound or isolated elderly.

(a) Persons age 60 or over who are frail, homebound by reason of illness or incapacitating disability, or otherwise isolated, shall be given priority in the delivery of services under this part.

(b) The spouse of the older person, regardless of age or condition, may receive a home-delivered meal if, according to criteria determined by the area agency, receipt of the meal is in the best interest of the homebound older person.

§ 1321.71 Legal assistance.

(a) The provisions and restrictions in this section apply only to legal assistance providers and only if they are providing legal assistance under section 307(a)(15) of the Act.

(b) Nothing in this section is intended to prohibit any attorney from providing any form of legal assistance to an eligible client, or to interfere with the fulfillment of any attorney's professional responsibilities to a client.

(c) The area agency shall award funds to the legal assistance provider(s) that most fully meet the standards in this subsection. The legal assistance provider(s) shall:

(1) Have staff with expertise in specific areas of law affecting older persons in economic or social need, for example, public benefits, institutionalization and alternatives to institutionalization;

(2) Demonstrate the capacity to provide effective administrative and judicial representation in the areas of law affecting older persons with economic or social need;

(3) Demonstrate the capacity to provide support to other advocacy efforts, for example, the long-term care ombudsman program;

(4) Demonstrate the capacity to provide legal services to institutionalized, isolated, and homebound older individuals effectively; and

(5) Demonstrate the capacity to provide legal assistance in the principal language spoken by clients in areas where a significant number of clients do not speak English as their principal language.

(d) A legal assistance provider may not require an older person to disclose information about income or resources as a condition for providing legal assistance under this part.

(e) A legal assistance provider may ask about the person's financial circumstances as a part of the process of providing legal advice, counseling and representation, or for the purpose of identifying additional resources and benefits for which an older person may be eligible.

(f) A legal assistance provider and its attorneys may engage in other legal activities to the extent that there is no conflict of interest nor other inter-

ference with their professional responsibilities under this Act.

(g) No provider shall use funds received under the Act to provide legal assistance in a fee generating case unless other adequate representation is unavailable or there is an emergency requiring immediate legal action. All providers shall establish procedures for the referral of fee generating cases.

(1) "Fee generating case" means any case or matter which, if undertaken on behalf of an eligible client by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds, or from the opposing party.

(2) Other adequate representation is deemed to be unavailable when:

(i) Recovery of damages is not the principal object of the client; or

(ii) A court appoints a provider or an employee of a provider pursuant to a statute or a court rule or practice of equal applicability to all attorneys in the jurisdiction; or

(iii) An eligible client is seeking benefits under title II of the Social Security Act, 42 U.S.C. 401, *et seq.*, Federal Old Age, Survivors, and Disability Insurance Benefits; or title XVI of the Social Security Act, 42 U.S.C. 1381, *et seq.*, Supplemental Security Income for Aged, Blind, and Disabled.

(3) A provider may seek and accept a fee awarded or approved by a court or administrative body, or included in a settlement.

(4) When a case or matter accepted in accordance with this section results in a recovery of damages, other than statutory benefits, a provider may accept reimbursement for out-of-pocket costs and expenses incurred in connection with the case or matter.

(h) A provider, employee of the provider, or staff attorney shall not engage in the following prohibited political activities:

(1) No provider or its employees shall contribute or make available Older Americans Act funds, personnel or equipment to any political party or association or to the campaign of any candidate for public or party office; or for use in advocating or opposing any ballot measure, initiative, or referendum;
